PROJECTS PAGE for MOBILE PORTRAIT

A hand-drawn wireframe for a mobile app interface. At the top left is a box labeled "LOGO". At the top right are three horizontal lines representing a menu. Below these are five horizontal lines for text. In the center is a table with 5 rows and 2 columns. Below the table are three more horizontal lines for text. At the bottom, there are two icons: a circle with the letter 'f' and a rounded rectangle with a camera icon. Below these icons are the labels "Address", "Email", and "Phone number" stacked vertically.

f [Camera Icon]

PROJECTS PAGE for MOBILE LANDSCAPE

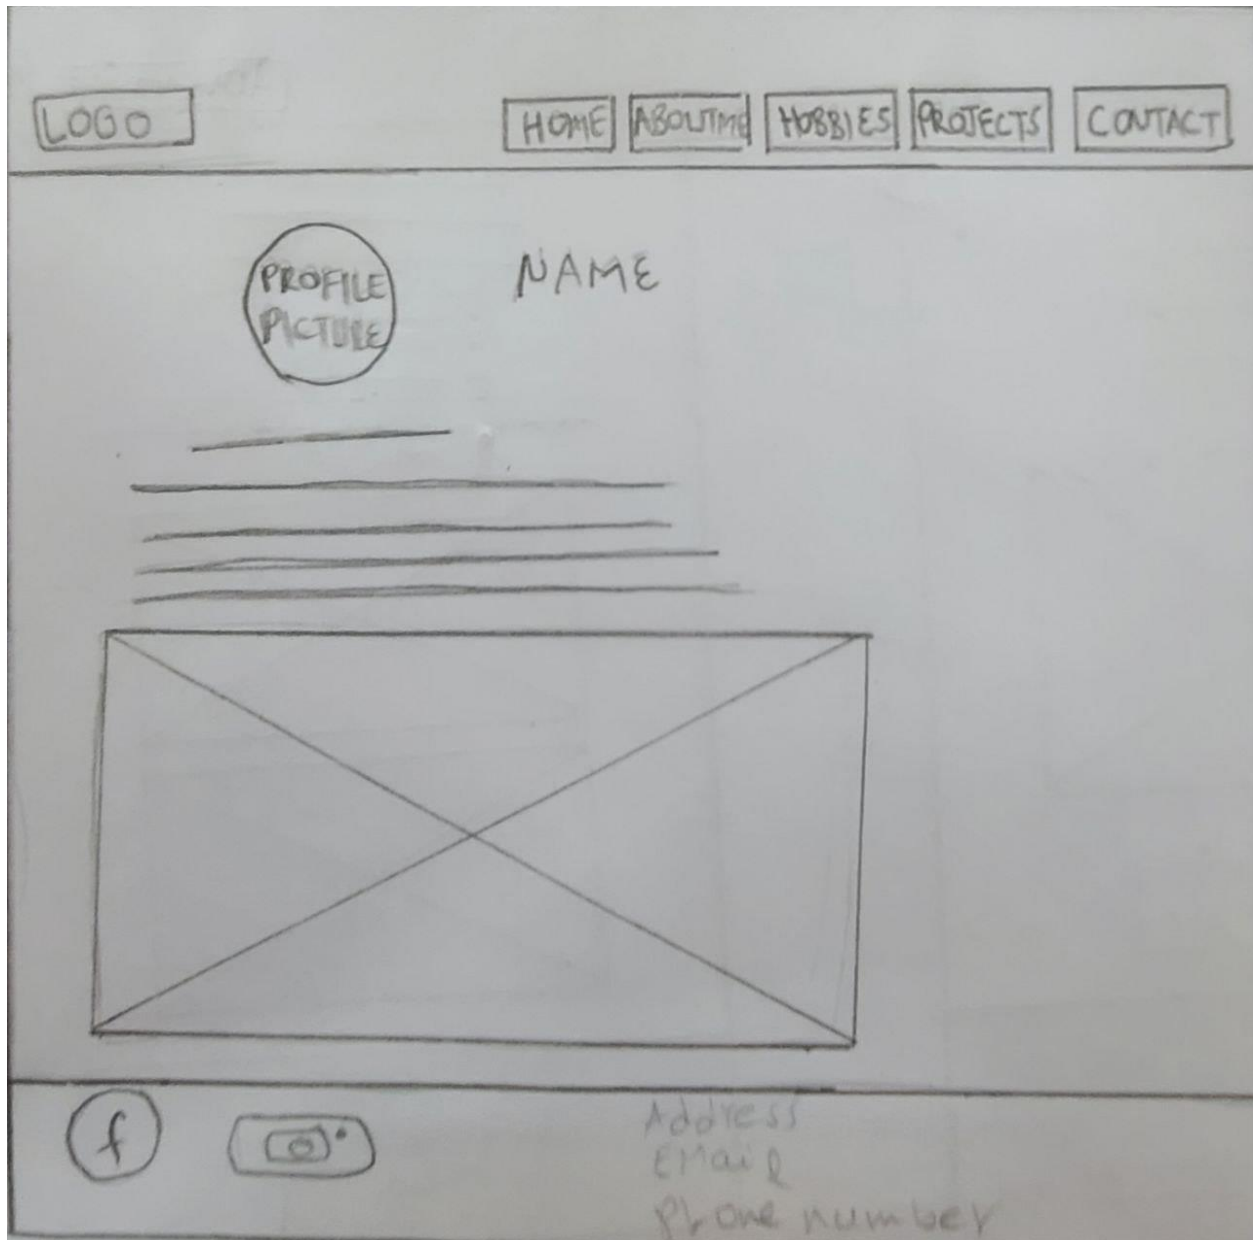

The sketch depicts a mobile application interface. At the top left, there is a rectangular box labeled "LOGO". To its right, three horizontal lines represent a hamburger menu. Below the header, there are three horizontal lines, likely representing a title or subtitle. The central part of the screen is occupied by a table with two columns and six rows. Below the table, there are two more horizontal lines. At the bottom of the screen, there are two circular icons on the left: the first contains a plus sign, and the second contains a camera icon. To the right of these icons, the text "Address", "Email", and "Phone number" is written vertically, indicating input fields for user information.
